Sunday, 25th January 2026 Third Sunday in Ordinary Time Year A

**The people that walked in darkness has seen a great light:
Jesus, the light of the world, walks among us,
preaching a message of repentance.
We gather to listen to him,
to share the bread of life
and to prepare to go out and build up his kingdom.**

Normal Lives, Called to Holiness

'Holiness does not mean performing extraordinary things, but doing ordinary things with love and faith.'

Pope Francis on Blessed Carlo Acutis

As we come to the end of Catholic Schools Week for 2026, we celebrate the extraordinary call to holiness in the midst of ordinary life. Inspired by Pope Francis's reflection on Blessed Carlo Acutis—recently canonised as the first millennial saint—this year's theme invites pupils, teachers, families, and parishes to explore the call to holiness as something both universal and accessible. Holiness is not for a few, but for all; not reserved for religious professionals or mystics, but for every student, teacher, parent, (and grandparent!) living each day in friendship with Jesus Christ.

Catholic schools exist to form individuals who know that their lives have a purpose and a calling. This year's theme, 'Normal Lives, Called to Holiness,' resonates with the central conviction that education is a path not only to knowledge and maturity but to sainthood.

'Each of us is called to be holy by living our lives with love and by bearing witness in everything we do.'
